The 2012 International Conference on Highly Frustrated Magnetism will be held at McMaster University in Hamilton, Ontario, Canada from June 4-8, 2012. This international conference will focus on recent developments in the study of the phenomena of frustration in magnets. It will feature presentations reporting on experimental and theoretical studies of frustrated magnetism, in all of its manifestations. This conference follows in the series of HFM 2010 (Baltimore, USA), HFM 2008 (Braunschweig, Germany), HFM 2006 (Osaka, Japan), HFM 2003 (Grenoble, France), and HFM 2000 (Waterloo, Canada).
